Guth Airson Iarrtasan Nis

Primary 5-7 school children thought it would be a good to have a walkway from the school to the play-park—

Because it would be safer than walking on the road.

They thought it would also be nice to see all the wildlife and to get active and enjoy being outside.

### Look out for our signs

WALKWAY TO CAR PARK - 1KM

WALKWAY TO EOROPIE PARK - 1KM

The pupils spoke to GAIN who run the park and working with the landowner, the Urras and the crofters together we developed this walkway for **EVERYONE TO ENJOY!**

This 1 kilometre walkway aims to improve the health and well-being of the community by linking local facilities for health and educational benefits.
